12:30 - 17:00 One-on-one sessions (maximum 2 hours each)

Day 2

0800 One-on-one sessions (maximum 2 hours each)

Industry Day Guidelines

- A maximum of 5 participants per interested company permitted to attend (please RSVP to Program Manager with number of attendees).
- One-on-One sessions will last two hours each.
- Companies are encouraged to bring proposed hardware/systems for one-on-one sessions to serve as visual aid to gain better understanding of current technologies. It is not required and whether a system is brought will in no way influence or impress upon the government team.
- Ten minute breaks will occur between one-on-one sessions and escorts will be provided to and from sessions so as to avoid any interaction given hardware/systems are present.

Subject to Distribution Statement A

Prepared by: ESC/ACW
